Thank You!

On behalf of everyone who has been enriched and encouraged through all of these *Rising Tide* campaign initiatives, we express sincere gratitude to all of the institutions and individuals who have so generously given to this historic first capital campaign of ABHE. We celebrate the success of surpassing our goal of \$1.24 million and greatly rejoice in the *Rising Tide* of global gospel impact through the North American Bible college movement.

All of this is for the Lord's renown.
