

March 23, 2020

Dear Presidents and Accreditation Liaisons,

We notified you on March 13 or 16 that institutions may take emergency steps to complete the semester through alternative deliveries. In response to regulatory guidance, the ABHE Commission on Accreditation (COA) adopted a policy on March 20, 2020, that more fully addresses exceptions due to COVID-19. A copy of that policy is available [HERE](#).

Please note that the COA will need to review exceptions that are not part of your current delivery options, so it is important that you report these to coa@abhe.org. Please include both a start date and end date to those variances. If the end date needs to be extended later, an email to that effect is all we need. Remember that COA reviews COVID-19 exceptions on an “act and inform” basis. You do not need COA approval to proceed with emergency delivery changes.

Praying for God’s grace to you in this exceptional time.

Sincerely,

Ronald C. Kroll, Ed.D.
Director, Commission on Accreditation
