Dear President Martini:

The ABHE Commission on Accreditation reviewed your institution at its February 13-17, 2021 meeting and took the following action:

Defer action, continue Horizon College & Seminary (SK) on warning, and continue accreditation in light of the anticipated closing date of March 15, 2021 of the sale of the previous campus located at 1303 Jackson.

The institution must provide documentation of the sale of the property, the closing statement, and receipt of funds by May 15, 2021. Failure to provide this documentation will result in negative action.

Until the institution is removed from warning, the institutional website must disclose that the institution is on warning status (Policy on Communication of Accreditation Decisions).

The effective date of this action is February 17, 2021. Please see the Report Guide at www.abhe.org/accreditation/accreditation-documents/ for assistance in formatting and submitting any required reports to the Commission.

If you have any questions, please do not hesitate to contact me or Associate Director Shane Wood. May God bless your continued engagement in biblical higher education!

Sincerely,

Ronald C. Kroll, Ed.D.
