

ASSESSMENT OF A PROGRAM ASSESSMENT PLAN

Criteria	Present	Not Present	Comments
The plan is linked to the program's student learning outcomes.			
The plan describes when each outcome will be assessed.			
The plan deploys at least one direct measure for each outcome.			
The plan deploys more than one measure (direct and indirect) for each outcome.			
The plan identifies specific courses or points in the curriculum where data are collected.			
The plan specifies how the data will be collected and analyzed.			
The plan sets standards or benchmarks for acceptable outcomes.			
The plan documents the use of data or evidence for decisions to improve student learning.			
The plan documents the use of data or evidence for decisions to improve assessment procedures.			
The plan explains how the results will be presented in an annual report.			
The plan is sustainable in terms of available resources.			
The plan supports and informs the school's long-term goals.			

Status:

_____ Merits further development (plan is missing one or more of the elements)

_____ Satisfactory (plan includes all of the elements to an acceptable extent)

_____ Well-developed plan (plan includes all of the elements to a mature extent)
