

According to the Constitution of the Association for Biblical Higher Education, the following statement of faith is to be subscribed to annually by each member institution through the signature of the president.

1. We believe that there is one God, eternally existing in three persons: Father, Son, and Holy Spirit.
2. We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious atonement through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal and visible return in power and glory.
4. We believe that man was created in the image of God, that he was tempted by Satan and fell, and that, because of the exceeding sinfulness of human nature, regeneration by the Holy Spirit is absolutely necessary for salvation.
5. We believe in the present ministry of the Holy Spirit by Whose indwelling the Christian is enabled to live a godly life, and by Whom the church is empowered to carry out Christ's great commission.
6. We believe in the bodily resurrection of both the saved and the lost; those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.

POSITION STATEMENT

The Board of Directors and the full membership of the Association do not routinely offer collective comment on political and social issues due to the diversity within our membership and their churches. However, recognizing that the protection of religious freedom under the Canadian Charter of Rights and Freedoms and the United States Civil Rights Acts is being questioned in a growing number of discussions about discrimination and faith-based institutions, we believe it is important to state our official position and assert that affirmation of this position is inherent in association membership.

1. Our *Tenets of Faith*, which we require all member institutions to affirm annually as an essential condition of membership, are grounded in historic Christian orthodoxy which is, in turn, grounded in the teachings of the Bible as broadly and consistently understood in the mainstream of protestant Christian tradition. We believe the Bible to be the inspired, the only infallible, authoritative word of God. Therefore, everything we say and do must be under the guidance and authority of Scripture. Our integrity depends on consistent application of commonly understood biblical truths.
2. We are persuaded that the matter of human sexuality and gender is fundamental to biblical cosmology, not merely biblical morality. Beginning with the Genesis account of Divine Creation and continuing consistently throughout all of Scripture's canon, God's original and ongoing intent and action entails the creation of humanity manifest as two distinct sexes, male and female.
3. While due to human sin and brokenness, our experience of our sex and gender is not always that which God the Creator originally designed, we yet affirm God's capacity to heal and transform our brokenness. In light of this foundational understanding of creation, fall, and redemption, we do not affirm the resolution of tension between one's biological sex and one's experience of gender by the adoption of a psychological identity discordant with one's birth sex. We anticipate our member colleges will develop institutional policies and make institutional decisions in light of these convictions in matters such as employee hiring and retention and in student admissions, retention, and community life.
4. We uphold the sanctity of marriage as God-ordained, a special, exclusive lifelong union between one man and one woman, within which sexual relations are honored and affirmed by God. We share the conviction that all sexual unions outside of marriage as thus defined deviate from the Creator's design and are sinful and thus ultimately detrimental to human flourishing. In dealing with sexual sins outside of marriage, we must be attentive to Scripture and therefore consistent in applying campus employment, admission, and community behavioral standards policies to all expressions of sexual identity and behavior.
5. We affirm the dignity of all human beings and we deplore all forms of sexual harassment and violence. The Bible calls upon us to respect people even though we may disagree with them. We will demonstrate civility and compassion as we engage in dialogue with those whose beliefs, self-identification, and behaviors deviate from biblical standards. We call upon our members to seek to embody the gentle and patient love of Christ for all.
6. We will also separate the value and identity of each person from the behavioral choices one makes. We must never reject people, but only those actions that Scripture defines as immoral. We rejoice in the fact that God welcomes, embraces, forgives, and heals all people who are responding to His grace. We must also extend the same grace and forgiveness to those we may discipline for violating campus standards for biblical living.
7. We will be vigilant in defending our rights as faith-based organizations, as expressed in the federal constitutions of Canada and the United States. While some within the educational community may not always agree with us on specific positions, we believe all leaders in higher learning and the extended society have a stake in preserving basic freedoms and we, therefore, encourage them to join us in defending these basic rights.
8. It is our desire to respond to this current challenge with resolve and sensitivity. We stand for the clear moral teaching of the Bible while demonstrating compassion for those with whom we may disagree. Just as Christ had a "love morality" that was combined with a "law morality," may we also find that healthy balance as we seek to represent our Lord in the higher education arena and the larger society.
