Dear President Maloyed:

Greetings in the name of our Lord Jesus Christ. This letter is your official notification of ABHE Commission on Accreditation actions relative to Hobe Sound Bible College. The ABHE Commission on Accreditation reviewed your institution at its February 11, 2026 meeting and took the following action:

Continue Hobe Sound Bible College (FL) on warning and continue accreditation for one year in light of the Commission on Accreditation's judgment that the institution marginally complies with the ABHE Institutional Accreditation Standards listed below, and require a progress report due May 15, 2026, addressing the following concern:

- **Standard 1: EE 2 (Documented fulfillment of applicable Commission policies and requirements as demonstrated by complete and timely communication with the Commission, including timely submission of documents required for approval of the Teach Out Plan and Agreements)**

Note: An approved Teach-Out Plan and Agreements are required as soon as practicable but no later than May 15, 2026.

In addition to the report indicated above, the institution will be expected to send representatives to meet with the COA at the February 2027 meeting to respond to questions and report on further progress in addressing concerns. At that time, the COA will act to remove warning, continue warning, or impose another sanction, depending on the progress made in strengthening compliance with the ABHE Standards referenced in the motion above.

The effective date of this action is February 11, 2026. Please see the Report Guide at www.abhe.org/accreditation/accreditation-documents/ for assistance in formatting and submitting any reports required by the Commission.

Please do not hesitate to contact me, as your Commission Staff Representative, with any questions that arise regarding this communication. May God continue to bless your service in biblical higher education.

Matt Maloyed, Hobe Sound Bible College, February 25, 2026
